COMMUNAL CLOSES AND STAIRS WHAT IS YOUR RESPONSIBILITY

Tenants and residents are responsible for cleaning close landings and stairs where there is not close cleaning service in place. Closes should be kept clear of all items such as pushchairs, bikes and rubbish. Individuals are responsible for cleaning up any spillages or litter that they are responsible for.

ESTATE INSPECTIONS

Our Housing and Neighbourhood Services Assistants inspect our estates on a regular basis. Each estate is risk assessed and categorised as either high medium or low risk. We will inspect our high risk estates once a month, medium risk estates 4 times a year and low risk estates twice a year. During the inspections we will look at all areas owned by the Association or where the Association owns land in common with others including grassed areas, paths, closes and gardens. Where we see a problem we will take action by either raising a repair or an inspection and monitoring the works to ensure they are completed or contacting residents responsible and asking them to take action to rectify the problem. Where we see high levels of rubbish we will arrange a litter pick. We will aim to remove offensive graffiti within 24 hours and other graffiti we aim to remove within 20 days. Where we note issues on our Estate Inspections that are not ACHA responsibility we will report to the relevant organisation for example Argyll and Bute Council.

ESTATE WALKABOUTS

We will carry out estate walkabouts on our estates with any interested tenants or residents. We aim to do this for each estate at least once a year. We will advertise the dates for estate walkabouts in your areas on our website, in our offices and in our Estates newsletter which will be produced twice a year in April and October.
