STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

ABOUT ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED GROUP

The Board of Management present their report and audited financial statements for the financial period 1st April 2021 to 31st March 2022.

Argyll Community Housing Association Limited (ACHA) was incorporated on 27th May 2005. ACHA is a not-for-profit organisation. It was registered with the Scottish Housing Regulator as a Registered Social Landlord (RSL) No. 360 on 21st November 2006. It is constituted as an Industrial and Provident Society incorporated under the Co-operative and Community Benefit Societies Act 2014 (Registered Number 2661R(S)). ACHA was registered as a charity with the Office of the Scottish Charity Regulator on 4th November 2011, registered No. SC042713.

Argyll Homes For All Limited (AHFA) is a wholly owned subsidiary of ACHA incorporated on 27th January 2012. It is a trading company limited by shares and registered with Companies House under the Companies Act 2006, number SC415603.

PRINCIPAL ACTIVITIES

ACHA's principal activity is to provide and manage quality affordable housing accommodation for people in housing need across the Argyll and Bute region. ACHA received 5,398 homes from Argyll and Bute Council as a result of the whole stock transfer on 21st November 2006 and now has 5,165 homes as a result of previous right to buy sales, stock harmonisation and new development. ACHA owns and manages a range of housing for rent in primarily general needs accommodation, some sheltered accommodation and a small number of gypsy traveller sites. It provides accommodation for the homeless through tenancies with Argyll and Bute Council.

The emphasis of ACHA's activities is the provision of quality housing at affordable rents, with tenants and communities being involved at each stage in this provision. While ACHA's primary purpose is to improve and maintain the quality of its housing stock, through the delivery of a considerable major repairs and new build programme, it also seeks to link housing investment and service to wider community needs. Economic regeneration of communities will be encouraged and facilitated, with local benefit in terms of employment and career opportunities, facilitated through working alongside Argyll and Bute Council, other local housing associations and statutory and voluntary agencies.

The principal activity of the wholly owned subsidiary, AHFA, is property repairs and maintenance, in addition to small capital works, for ACHA.

GOVERNANCE AND DECISION MAKING

ACHA's organisational structure consists of a voluntary Board of Management (Board) supported by a Senior Management Team (SMT). The Board comprises tenants, Argyll and Bute Council representatives and independent representatives of the wider community, and has places for members as follows:

Tenants – 10

Independent Members – 5

Council Nominees – 3

During the year the Board had 4 leavers and recruited 5 new members. At the year-end, 31st March 2022 there were 3 tenant vacancies on ACHA's Board.

The SMT comprises the Chief Executive and each of the directors heading the four functional departments of Housing & Neighbourhood Services, Property Services, Human Resources & Corporate Services, and Finance and IT.

All Board members and staff operate within a set of standing orders, policies and financial regulations. Decisions relating to ACHA's strategic objectives are taken at regular Board meetings whilst operational matters are dealt with by the staff SMT. ACHA also has standing committees, which are the Audit Committee, Policy Committee, Remuneration Committee and Health and Safety Committee and has delegated powers to these. The Audit Committee's remit includes all aspects of audit compliance and internal controls assurance, debt write off and also the annual accounts and financial statements. The

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Policy Committee has delegated powers to consider the approval of ACHA's operating policies thus enabling the Board meetings to focus on strategic matters. ACHA also has a Health and Safety Committee in recognition of the key strategic importance of health and safety compliance across the Group. As a result of the continued Coronavirus (Covid-19) Pandemic during the year, some meetings were held virtually as opposed to face to face.

ACHA has four Area Committees who deal with operational matters locally and have a clearly defined scheme of delegated authority. These Area Committees are established along the following geographical areas: Oban, Lorn & the Isles, Mid Argyll & Kintyre, Helensburgh & Lomond and Bute & Cowal. As a result of the Covid-19 restrictions the Board took the decision to suspend the Area Committee meetings during the 2020/21 financial year. The Area Committee governance structure is currently under review, as a result, the Area Committees have not met since March 2020 and the matters that fall under their remit have been considered by the Board.

AHFA is a company limited by shares and operates according to its memorandum and articles. AHFA has a Board of Management and Board members operate according to established standing orders, policies and financial regulations. AHFA has no sub committees. AHFA has a Board comprising of 6 members, 2 of whom are Board members of ACHA, 2 who are independent members and 2 current vacancies at the year end. AHFA operates across the whole of the Argyll and Bute region with 2 principal office locations being Oban and Helensburgh.

RECRUITMENT AND TRAINING OF BOARD MEMBERS

Governing Body Members are drawn from a wide range of backgrounds and experience to maintain the necessary mix of skills, experience, knowledge and independence required to govern and control a complex organisation. Vacancies on the Board are filled from members of the community, in accordance with ACHA's Rules, who have a commitment to the furtherance of social housing and the aims and objectives of ACHA. All Board Members receive initial induction training and then attend internal and external training events which not only build on existing experience but provide an opportunity to develop new skills. There is a rolling 2-year training programme which is reviewed in line with the outcome of the annual appraisal completed by members. We have developed a Governing Body Succession Strategy which sets out the required process for attracting and recruiting future governing body members, developing the knowledge and experience of existing members and up skilling individuals for the future.

All Governing Body Members received an annual appraisal, carried out by the Vice Chair between March and May 2021, and as a result a succession plan template has been developed. The appraisal takes the form of a survey followed by individual interview. A Board Development Action Plan has also been developed.

As a result of the Covid-19 pandemic the training programme for 2021/22 was suspended, however finance training was delivered to Board members in March 2022 and the training programme has been rescheduled for delivery during 2022/23.

RISK MANAGEMENT

ACHA has a Risk Management Policy determined by its Board based on known risks. The Risk Register and Matrix are revised during the Strategic Planning Sessions in February and October of each year. In addition, the Board receives a progress update from each Directorate quarterly. The internal audit needs assessment completed during the previous year determines the workflow of ACHA's independent internal auditors. Wylie and Bisset were appointed as the Association's internal auditors for a period of 3 years from April 2021 until March 2024, with the option to extend for a further two year period. The internal audit regime has been running successfully throughout the year. The internal audit service completed their review of all planned work during the period, with 33 recommendations for action. The outcomes of the internal audit reviews were considered by officers and reported to the Audit Committee of the Group and the annual plan for the 2022/23 financial year has been approved.

The Group business continuity plans have been established and previously undergone testing in relation to cyber security. A number of training sessions have been conducted on this topic, via the Scottish Business Resilience Centre, who ACHA are members of.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

The Scottish Housing Regulator regulation plan for ACHA remains at medium engagement due to the systemic risk that ACHA poses as a result of the size of the organisation. This is a continuation of the existing engagement level with standard returns and submissions being made.

HEALTH AND SAFETY

The Group employs a Health, Safety and Environmental Advisor and an Asbestos Officer as well as forming a health and safety committee. An annual audit of Health & Safety Management systems is undertaken by ACS, to assess compliance with current Health & Safety legislation and best practice. The health and safety advisor also carries out additional internal health and safety system audits to ensure compliance. ACHA continue to take a pro-active approach to delivering an effective Safety Management System and are in a very satisfactory position to continue to meet its Health and Safety obligations. Annual fire risk assessments have also been undertaken at all sites and any follow up actions have been progressed, Legionella risk assessment are due this year in all high risk sites with an action plan to be put in place to ensure all actions raised are dealt in a timely manner. The Group Health, Safety and Environmental Advisor also audits workplace guidance following that of the post Covid-19 pandemic to ensure any new guidance is followed when issued by the Scottish Government, NHS or the Health and Safety Executive. The group is also hybrid working for a trial period which is monitored for health and safety issues such as DSE and home working risk assessments.

STAFF

ACHA employed 245 full time equivalent (FTE) staff during 2021/22 (weighted FTE – breakdown within note 7 to the accounts), an increase of 16 on the 229 full time equivalent staff during 2020/21. This was mainly due to an increase in staff numbers within AHFA in line with their continued business development.

The Group launched a new communications platform in February 2022, which can be used for engagement surveys, and we plan to run either more regular pulse surveys or a full annual survey during 2022/23. The last employee engagement survey in 2019 showed average satisfaction scores of 72% for the ACHA Group, with a target of 80% and a benchmark of 79%. An action plan is in place, in conjunction with the People Plan/Strategy, areas for improvement have been progressed and updates are reported to the board.

Two staff virtual Conferences took place, the first on 25th June 2021 and the second on 23rd April 2022.

Staff turnover at the end of March 2022 was 9.7% against a target of 14.0%. ACHA encourages all leavers to complete an exit questionnaire to review for emerging trends. ACHA have implemented a revised Recruitment and Selection Policy, to improve the time it takes to recruit.

Sickness absence rates for 2021/22 have increased to 5.2%, mainly due to Covid-19, against a target of 3.0%. Senior management review absence levels, costs and causes regularly and attendance management trigger points are used to deal with short term persistent absence cases, with work carried out in respect of long term sickness cases on a case management basis. ACHA have refreshed and implemented a 'one stop' Group wide Health and Wellbeing Policy, and introduced a wide range of health interventions to support staff.

Appraisals and succession planning continue to be a focus for staff and managers each year. AHFA have implemented a performance standards framework for operatives to improve performance year on year. The People Plan focuses on modernising our leadership competency framework, to be adopted through a revised Appraisal process for 2022. A new leadership programme is now also underway.

ACHA has delivered and is continuing to develop its online training and development capabilities by embracing e-learning, due to the geographical challenges, previous Covid-19 restrictions and the need to become more effective and efficient. We recognise that in some cases, face to face training will still be required, and have adopted a blended learning approach to suit. We have also moved towards further employee self-service functionality in terms of our software packages.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

OBJECTIVES, OPERATIONS AND PERFORMANCE

Performance Management

Performance levels are routinely monitored by staff delivering services, the SMT and Board. The Scottish Housing Regulator monitors and reports on ACHA's performance using the Annual Return on the Charter (ARC). For the ARC, ACHA submits data pertaining to performance indicators which are measured against other social housing providers in Scotland. ACHA use these comparisons to help set our own performance targets which, as a minimum, will be to at least meet the Scottish National Average.

ACHA publishes our Landlord Report to show how we are performing against the standards set out in the Scottish Social Housing Charter, ensuring tenants and others can assess the effectiveness of our work and allowing us to identify where improvement can be made. The most recent report was published in October 2021. Every year we develop our Landlord report in consultation with our tenants and other stakeholders.

The Scottish Housing Regulator also requires ACHA to submit an Annual Assurance Statement. The purpose of this statement is for ACHA's Board to declare that they are assured our organisation complies with regulatory requirements.

Each year the Scottish Housing Regulator publishes an Engagement Plan for each Landlord. This outlines what they will do and details Regulatory returns which we must provide in order for the Scottish Housing Regulator to monitor our performance.

It is important that tenants and other customers have the opportunity to provide feedback on the services they receive and ACHA conducts a number of different surveys throughout each year.

Complaints information is used as a learning tool, together with other performance information such as satisfaction surveys and benchmarking of performance indicators. This helps to build an accurate picture of how services are performing and assists in developing service improvements. Areas of concern are also reviewed and considered by the Board as part of their Strategic Planning role and may be included in the Corporate Strategic Plan, which sets out ACHA's aims and objectives going forward. Each of the four departments within ACHA also develops and maintains a departmental operating plan which clearly identifies expected performance and satisfaction levels.

Tenant Participation and Customer Involvement

ACHA seeks to involve our tenants and customers in the running of the organisation and the development of services in as many ways as possible. Our Governing Body (Board and Local Area Committees) is entirely made up of tenants, members of the local community and representatives from Argyll & Bute Council. ACHA staff do not form part of the Governing Body. In addition to the Board and Area Committees, tenants and other interested parties are able to participate and get involved with ACHA in the following ways:

- Joining our Feedb@ck Forum, which gives tenants and other customers the opportunity to review and comment on our Policies
- Becoming a member of ACHA for just £1 for life and attending our Annual General Meeting
- Becoming a member of a local Registered Tenant Organisation - ACHA currently supports two such groups, one in Cardross and the other in Campbeltown
- Joining the "Your Voice" tenant scrutiny group, who test our policies and procedures to ensure they are fit for purpose
- Taking part in consultation and other surveys
- Attending our Tenant and Member Conference

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Unfortunately, Covid-19 has continued to restrict the number of opportunities available to take part in face to face consultation and we were unable to hold our annual Tenant and Member conference this year. Our next conference is due to take place during 2023.

A rolling programme of policy, strategy and procedural review is in place and tenants and other service users are actively encouraged to take part in the consultation processes.

Housing Allocations

ACHA is one of the main Social Housing providers in the Argyll and Bute area. Our properties are allocated via a common housing register, HOME Argyll (Housing Options Made Easy), which is operated in partnership with Dunbritton Housing Association, West Highland Housing Association, Fyne Homes and Argyll and Bute Council. Having a common housing register means that applicants seeking rehousing only have to complete one online application form which can be accessed via any of the Partner websites. Applicants are also required to complete a Housing Options questionnaire, which is aimed at helping applicants make informed decisions regarding their housing requirements.

As at 31st March 2022 there were a total of 3,386 applicants on the HOME Argyll waiting lists.

During 2021/22 ACHA let 381 properties to applicants from the following waiting list categories:

Statutory Homeless	110 (29%)
Direct Waiting List	182 (48%)
Transfer Waiting List	89 (23%)

Tenants from the partner organisations are also able to “swap” houses via our mutual exchange facility. During 2021/22, 26 tenants were able to move into more suitable accommodation via this scheme.

Estate Management and Anti-Social Behaviour

Our staff complete regular inspections of our estates and play parks and encourage all our tenants to take pride in the community in which they live. ACHA is not the sole landowner or landlord with responsibilities for maintenance of open spaces, such as grass cutting or fencing for example. Whenever possible, we will work with other owners for the benefit of our estates and the wider community. An example of this is the work undertaken via our Exemplar Estates project which aims to improve the appearance of estates throughout Argyll and Bute.

As previously noted, ACHA’s Area Committees did not meet during the year and therefore the Board of Management approved a number of local projects as part of our Estate Management Action Plans. These projects are mainly external works to common areas or gardens. We were able to judge the annual ‘Garden in Bloom’ competitions in each area. This is an opportunity to recognise the hard work and commitment from tenants in maintaining their garden.

Our last tenant satisfaction survey revealed that 77% of our tenants were satisfied with the management of the neighbourhood that they lived in.

Part of our Estate Management work includes supporting tenants and other members of the community who are experiencing anti-social behaviour and/or neighbour nuisance. During the year we resolved 91% of the 221 cases reported to us, within locally agreed targets. ACHA does not have sole responsibility for dealing with anti-social behaviour and very often will rely on the assistance of Police Scotland or other agencies to either take direct action against those who commit anti-social acts or, at the very least, assist ACHA take action. ACHA raised 2 court actions against tenants in respect of anti-social behaviour, in the reporting year which ultimately resulted in the perpetrator of anti-social behaviour being evicted

Factoring and Private Owners

ACHA’s day to day undertakings involve private owners where they own properties in shared blocks, estates or common ground. As many owners have a shared responsibility they also have an ability to influence decision making, and a legal responsibility for maintenance, upkeep and repairs to common property and common areas.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Last year saw an increase in the number of owners that joined ACHA's comprehensive factoring service and, at the end of the financial year there were 353 owners, from a total of 110 blocks, who entered into a formal arrangement. The comprehensive service is in place to arrange repairs, maintenance and upgrading work to common blocks to maintain and improve the property for all residents and provide customers with access to the repairs service and customer service centre to report work required.

Our last consultation took place with owners during early 2021, with 75% of respondents confirming that they were either very or fairly satisfied with the overall factoring service provided by ACHA.

The Scottish Government reviewed the Property Factors Code of Conduct which resulted in a number of changes in the information ACHA provides to owners. A substantial exercise was undertaken to review the Code of Conduct and liaise with our Solicitors to amend our written Statement of Services.

Welfare Rights Service

The welfare rights team played an important role during the financial year in relation to assisting 1,607 tenants with a wide range of enquiries. This included having to adapt their way of working to assist tenants, both remotely and face to face, to make applications for the financial support made available by both the UK and Scottish Governments. The team continued to represent tenants at the appeals stage, enabling tenants to have benefits decisions reviewed again independently. The majority of these appeals were successful, maximising their income.

Staff have and are continuing to refer tenants to the Flexible Food Fund and Fuel Bank Foundation and this has been successful in assisting tenants whom are experiencing financial hardship and fuel poverty. The Scottish Government has provided funding to Argyll and Bute Council to continue with these funds for a further year and the welfare rights officers will continue to assist tenants with applications so that they are able to access this support where needed. ACHA also secured energy vouchers from the Housing Associations' Charitable Trust (HACT) for the period December 2021 to April 2022. 728 ACHA households were assisted and a total of £92k in vouchers were distributed. A fund of £40k was released from ACHA to alleviate financial hardship and in total 192 households were assisted throughout Argyll and Bute.

Total client gain recorded for the year was £4.1 million, reflecting the continued level of need for support with income maximisation. Within that figure, Universal Credit Housing Cost elements of £1.1 million were secured, Housing Benefit payments of £504k were paid and Discretionary Housing Payments of £152k were awarded. Therefore, a total of approximately £1.76 million was available to fund tenant's rental costs to ACHA. This has been a challenging time for our tenants and the Association, and the importance of one to one contact albeit in some cases remotely has been invaluable to our tenants in providing assistance for claims for financial support.

HOUSING STOCK

Housing Stock

At the start of the financial year, 1st April 2021, ACHA owned 5,177 homes. In addition to 10 new homes being completed and brought into rental during the year the impact of the stock rationalisation programme saw a net decrease in the housing stock of 12 properties through planned sales and demolitions. At the financial year-end 31st March 2022 ACHA therefore owned 5,165 homes.

The housing stock at 31st March 2022 is broken down by type as follows:

<u>Rentable Stock</u>	<u>2022</u>	<u>2021</u>
General Needs Houses	4,965	4,977
Sheltered Housing	<u>200</u>	<u>200</u>
	<u>5,165</u>	<u>5,177</u>

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Sheltered Housing

ACHA has 200 Sheltered Houses spread across 11 complexes, that offer a comfortable, friendly and safe self-contained home with additional services to help older people to live independently within the community for as long as possible. Our Community Support Assistants are registered with the Scottish Social Services Council and provide housing support including development of person centred Support Plans for all tenants.

During the Covid-19 pandemic, to reduce risks of cross contamination the physical presence of staff on site was limited to emergency situations. We continued to support tenants by telephone, text messaging & email and remote 24hour assistance was provided by Hanover Telecare. From 9th August 2021 we began returning our Community Support Assistant staff team back to their complexes. Initially this was a soft start with staff opening common rooms and guest rooms for residents use while introducing a revised cleaning regime. We have slowly introduced common room activities for our residents however there is still some resistance to third party organised events within the complexes

We were unable to reintroduce the full tenant satisfaction survey during 2021/22. There were a number of complex specific surveys on matters relating to improvement work including upgrades in warden call system, common lounges, external estate work, replacement laundry equipment as well as consultation on component replacement work. We intend to carry out the full annual survey during 2022/23.

Gypsy Traveller Sites

ACHA owns and operates 2 sites for Gypsy/Travellers, currently offering 15 pitches. There are sites at:

<u>Gypsy Traveller Sites</u>	<u>2022</u>	<u>2021</u>
Lochgilphead, Duncholgan	7	14
Oban, Bayview	8	8
	<u>15</u>	<u>22</u>

Each pitch offers an amenity unit with kitchen and bathroom facilities, and an electric hook up for our tenants. Following consultation with the residents we undertook works to increase the size and reduce the number of pitches in Duncholgan. While this work was to ensure we complied with fire safety guidance given by Scottish Fire & Rescue Services there were other benefits to the site such as additional storage space and environmental improvements which meet some of the strategic aims of ACHA, the Local Authority and the Scottish Government.

Maintaining Our Houses

ACHA seeks to maintain its properties to the highest standards. To this end, programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. ACHA also undertakes reactive or responsive repairs and maintenance based on emergency and routine works requests from its tenants and factored owners. It is expected that the cost of all of these repairs is to be charged to revenue within the Comprehensive Income Statement. In addition, ACHA has a long-term programme of major repairs which have become necessary since the original developments were completed, including works required by subsequent legislative changes. This includes replacement or repairs to components of the properties, which have come to the end of their economic lives. The cost of these repairs is capitalised on the Statement of Financial Position in accordance with the 2018 SORP and the requirements for component accounting.

From 1st April 2013 our subsidiary company, AHFA, took over our day to day repairs and maintenance service and the contract has been running successfully for 9 years, with the new strategic partnership contract implemented during 2021/22. This new contract will run for 10 years with a possible break after 5 years if deemed necessary.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Repairs Category	(Average Completion Time)	
Emergency	3.2 hours	(2020/21 – 2.3 hours)
Non-Emergency	19 days	(2020/21 - 12 days)

Covid-19 restrictions continued to have an adverse impact on our repairs service delivery performance during large parts of the financial year, also creating a backlog of non-emergency repairs to be dealt with.

Repairs satisfaction is monitored in a number of ways including telephone surveys, physical post inspection of work and via returned satisfaction questionnaires. Despite the challenges of delivering a reduced repairs service during the pandemic the satisfaction levels remained high with 83.8% of respondents confirming that they were happy with our repairs service.

Investing to Improve the Housing Stock

ACHA has progressed delivering its main programme of works to maintain our houses at the Scottish Housing Quality Standard (SHQS) and Energy Efficiency Standard for Social Housing (ESSH). We aim to continue to improve our performance and continue to reduce any current exemptions and abeyances. Our purchasing framework expired last year and we have been carrying out tender exercises to obtain costs for all of our investment contracts this year. This has given us the opportunity to assess Value for Money and also the best procurement framework for future years. After completing a procurement audit it was decided that a Dynamic Purchasing Scheme (DPS) was the best vehicle for procuring goods and services going forward. The DPS is now fully implemented for contractors and consultants.

ACHA has delivered the following elements of work during 2021/22:

Investment programme – Element completions	Planned	Outturn	Percentage
No of kitchen/bathrooms	80	48	60%
No of window/door	70	44	63%
No of heating/rewire	1065	750	70%
No of roof/roughcast	240	107	45%
No of energy efficiency upgrades	240	7	3%

The total number of elements required for completion this year of all types was 1,695, ACHA delivered 956 elements equating to 56% of the targeted objective. The planned target expenditure was just below 50% against budget forecast overall. The delivery of all of the investment contracts were impacted adversely by Covid-19 restrictions, resource issues and reduced capacity of contractors.

After carrying out a 100% stock condition survey in 2019, we continue to address the fails in the SHQS that were identified, a substantial number of these fails were energy efficiency fails, which has also impacted on our performance in meeting the ESSH target. This will continue to be our focus for the next 2 years to address all of these fails and improve the energy efficiency of our homes. ACHA were awarded Warm Homes Funding through the National Grid in 2019 that enabled us to plan to upgrade 845 of our homes with a highly efficient new heating system. We have also been successful in being awarded a further substantial amount of Home Energy Efficiency Programme for Scotland Area Based Scheme (HEEPS / ABS) grant funding through the Scottish Government and Argyll and Bute Council that will enable us to install insulation measures to further mixed tenure blocks. In addition, we were also successful in a funding award with BEIS (Department of Business & Energy Industrial Strategy) to complete a whole house retrofit project to increase the thermal efficiency of a further 130 homes. This projects have all been delayed but should be completed during 2022/23.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Developing New Housing Stock

Regeneration or new build development activity has continued on the sites started last year, with sites progressing at both Inveraray (10 units) and Tarbert (4 units) having been subject to delay. We are on site with 2 units in Campbeltown and also due to go on site shortly at Eton Avenue in Dunoon. During the financial year 10 units at Garelohead were completed and handed over for rental.

The Scottish Government have continued to support our development programme. Significant work has also been undertaken in evaluating and feasibility assessing sites for development, for inclusion in ACHA's planned future regeneration programme and in bids for Housing Association Grant. ACHA had planned to deliver the 24 units for March 2022 (achieving the 10 units at Garelohead) with a further 17 units, as noted above, to be handed over before March 2023 (with a possible additional 5 units by March 2023 as well). We are currently assessing our proposals for the development programme beyond 2022/23 with a proposed focus on investing in our existing stock.

ARGYLL HOMES FOR ALL LIMITED (AHFA)

AHFA is a subsidiary company of ACHA developed to carry out repairs, maintenance and small capital works on its 5,165 properties.

During the last year AHFA has carried out some 24,000 repairs & maintenance jobs as well as a high number of refurbishment works and servicing. In more remote regions, in times of high demand and where specialist skills are required the internal labour resource is supplemented by selected and approved contractors. This enables the business to successfully deliver the contracts held with ACHA which included;

- Term maintenance and repair
- Gutter Cleaning
- Electric periodic inspections
- External painting and pre-paint repairs
- Grounds maintenance
- Solid fuel maintenance and servicing
- Gas servicing and maintenance
- Fire alarm servicing and testing
- Pressurised water systems servicing
- Small capital works

The services provided were impacted by Covid-19 and supply chain issues. As a result, performance indicators, when compared to previous years, have reduced. Overall the service provided can be regarded as good. The housing sector, along with most other sectors, has seen the impact of significant cost rises on supplies and a shortage of available contractors. ACHA's investment in its subsidiary has allowed a greater degree of risk mitigation in that regard.

There are relatively few significant issues reported relating to the quality of work provided and this is demonstrated not only by the post inspections carried out by ACHA and AHFA which have a 99% pass rate but also by reports provided by independent auditors who monitor the works associated with a number of contracts.

AHFA are highly visible within the community with strong branding on the vehicle fleet and uniformed operatives. We continue to invest in our staff with a programme of training and upskilling which saw the following delivered;

- Internal Toolbox talks.
- External Training provided by industry specialists and colleges.
- Self-attained Safety Training Modules.

As well as covering safety, the training programme aims to enhance the skills of our staff so we can offer career paths and a future within AHFA.

AHFA reported a profit of £90k before taxation for 2021/22, the second year in succession that AHFA reported an operating profit.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

FINANCIAL REVIEW

Rental Income

Rents are our main source of income and are a key factor in what we can spend on services in future years. ACHA increased rents during the period by 3.0% with the average rent, including service charges, across all stock being £92.24 for 2021/22. In February 2022 the Board approved a rent increase of 3.5% for 2022/23.

Rent receivable for 2021/22 was £24.75 million, an increase of £0.76 million, or 3.2%, from the £23.99 million in 2020/21.

Rent Arrears and Bad Debt

Rent arrears at 31st March 2022 is set out below.

Rent Arrears	Amount £000	%	Written Off £000
Current Tenants	960	3.9	-
Former Tenants	327	1.3	83
Total	1,287		

The year-end figure for current tenants is 3.9% against a target of 2.5%, which is calculated by taking the current tenant arrears at the year-end of £0.960 million and dividing this by the Gross Rent Charge £24.75 million. The timing of receipt of housing benefit and universal credit, which is paid in arrears, will mean this current tenant value is higher than in reality.

Voids (Empty Houses)

ACHA aims to limit the length of time that our properties remain empty. Wherever possible we will pre-allocate properties in order to reduce the length of time that they are empty to maximise our potential income. Covid-19 restrictions continued to impact on our ability to re-let properties during 2021/22. On average it took 56 days to re-let a property (this includes low and no demand properties). Excluding low/no demand properties we took 33 days to re-let.

During 2021/22, ACHA lost rental income to the value of £0.73 million due to properties not being re-let, a reduction of £0.11 million on the previous year.

Sundry Debt Income and Bad Debts

A total of £1.79 million of sundry debtor invoices were issued within 2021/22 compared to £3.17 million in 2020/21 (the higher value in 2020/21 relates mainly to grant income for private owner works invoiced to Argyll and Bute Council). In total the amount of outstanding debt as at 31st March 2022 decreased to £1.57 million compared to £1.66 million at the previous year-end. Bad debts written off during the year amounted to £0.29 million compared to £0.46 million in 2020/21. Sundry debt provided for during 2021/22 reduced by £0.10 million on the previous year.

Grant Income

During 2021/22 ACHA received Housing Association Grant (HAG) of £1.71 million to support new build development. A further £1.44 million of Warm Homes Fund grant was received in relation to installation of Air Source Heat Pump systems. Home Energy Efficiency Programme for Scotland Area Based Scheme grant (HEEPS ABS) of £0.48 million was received to fully offset expenditure on private owner properties within mixed tenure blocks. A grant of £0.37 million was received relating to expenditure on Aids and Adaptions and the remaining £0.02 million of Supporting Communities Grant, carried forward from 2019/20, was spent in full.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

Expenditure

Expenditure on management and administration costs during 2021/22 increased to £8.08m from £6.77 million in the previous year, in part due to the increase in service cost relating to the defined benefit pension scheme liabilities and other increases across IT services and salary costs. Costs within the previous year were lower as a result of significant reductions caused by Covid-19. Planned and cyclical maintenance (including major repairs) expenditure in 2021/22 was £3.80 million compared to £3.59 million in 2020/21, with increased spend across a number of planned maintenance contracts contributing to this increase. Reactive maintenance expenditure, for the Association, was £4.62 million compared to £3.74 million, an increase of £0.88m (for the group the net expenditure on reactive maintenance was £4.52m in 2021/22, an increase of £0.93m from £3.59m in the previous year). This is partly due to the catch up required as a result of non-emergency repairs being delayed during Covid-19, in addition to a decision to spend a greater amount on reactive repairs through the financial year. Depreciation on social housing charged during 2021/22 was £6.74 million compared to £6.42 million in the previous year. This increase will relate to the investment and regeneration expenditure capitalised during the financial year.

Creditor Payment Policy

The payment policy, which ACHA follows, is to pay for all purchases within 28 days, although some payments are settled in 14 days, and/or in accordance with creditor terms of business. For ACHA, the average creditor payment period for 2021/22 was 21 days against 25 days for the prior year, with 5,638 invoices being processed for payment compared to 4,506 in the prior year. For AHFA the average creditor payment period for 2021/22 was 22 days against 23 for the prior year, with 12,537 invoices processed against 10,795 in the prior year.

Assets

Housing properties, net of depreciation, increased from £178.02 million in 2020/21 to £181.58 million in 2021/22, an increase of £3.56 million. This increase includes £2.19 million of new build expenditure and £9.44 million of investment expenditure, with disposals of £1.91 million, impairment of £0.41 million and a depreciation charge (for housing assets) of £5.75 million (after adjustment for disposals and impairment) during the year. Debtors remain at £1.80 million in 2021/22, Cash held within the group at the 31st March 2022 was £7.22 million compared to £9.14 million at the previous year-end. Disruption to major repairs contracts as a result of contractor and materials availability reduced the cash requirements during the year and led to a higher balance at the year end than forecast initially.

Liabilities

The group position on creditors due within one year decreased from £6.05 million in 2020/21 to £5.69 million in 2021/22, due to small reductions across a number of different creditor headings, including trade creditors and retentions. Creditors due in more than a year reduced from £141.56 million to £141.21 million which was due to the release to income of amortised grant.

No additional loan funding was drawn down during the 2021/22 financial year. During the financial year ACHA paid a total of £1.72 million in relation to loan interest and repaid £0.15m of capital loan repayments on amortising loans. More detail on these loans is contained within Note 19.

Pensions

The actuarial report for the Strathclyde Pension Fund showed a decrease in the pension liability for the ACHA group of £4.03 million, with the net liability at £3.21million compared to £7.24 million in the previous year.

Reserves

At the year-end 31st March 2022 the revenue reserves balance of the ACHA group had moved from a £35.87 million surplus to a surplus of £42.45 million including the pension liability movement of £4.03 million noted above.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

STRATEGIC REPORT OF THE BOARD OF MANAGEMENT

For the year ended 31st March 2022

ACHA's business plan incorporates planned costs for cyclical repairs and replacements across the 30-year business plan. The borrowing profile therefore incorporates costs without relying upon a specific designated reserve.

GOING CONCERN

The Audit Committee on behalf of the Board has considered ACHA's going concern status and is satisfied the ACHA has sufficient borrowing facilities in place to support the business plan which demonstrates full repayment within the 30-year viability profile. In the view of the organisation therefore the test of being considered a going concern has been met.

FUTURE OUTLOOK

ACHA can face the future in a strong financial position with a track record of successfully containing costs and managing income. Our business plan has recently been approved by our principal lender and we have agreed loan facilities in place to support the business plan, other than borrowing of £3 million to fund the final tranche of our new build programme, which proposals will be developed for during the 2023/24 financial year.

ACHA has identified the following key challenges to going forward:

- Increasing costs from volatile and uncertain economic situation.
- Potential pressure on income collections as a result of economic factors impacting on tenants ability to pay.
- Void rent loss due to changing housing demand and void houses requiring significant investment works.
- Further investment to meet and maintain compliance with Scottish Housing Quality Standard and Energy Efficiency Standard for Social Housing and generally improving the condition and quality of the housing stock.
- Improving services, performance and tenant satisfaction.

The ACHA Board has reviewed the corporate strategic plan and set out the following objectives:

- Achieving the Scottish Government housing standards and addressing housing need in Argyll and Bute, through development and upgrading;
- Providing quality customer care, communication and equality across all our services;
- Developing the financial strength and capacity to meet current and future objectives;
- Delivering progressive and sustainable business performance and service delivery;
- Addressing challenges in relation to climate change;
- Improving strategic relationships and partnerships;
- Improvement of Scottish Social Housing Charter indicators;
- Delivering the Group's objectives through a resourced trained and developed staff team;

In looking to the future ACHA recognises the extent of global and national economic volatility and uncertainty and the extent to which these might impact on ACHA through high levels of inflation, rising interest rates, distortion of supply chains, labour resource pressures along with the need to balance rent affordability to tenants with viability of the ACHAs business plan.

We look forward to achieving and delivering our objectives. We recognise the challenges summarised above and the need to balance the competing demands of performance, customer satisfaction, investment requirements and rent affordability and the impact of these on ACHAs financial strength and capacity.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

BOARD OF MANAGEMENT'S RESPONSIBILITIES

For the year ended 31st March 2022

Statute requires the Board to prepare financial statements for each financial year which give a true and fair view of the affairs of ACHA and of the surplus or deficit for that period. In preparing those financial statements, the Board is required to fulfil the following obligations:

- select suitable accounting policies and apply them consistently;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Board confirms that the financial statements comply with these requirements.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of ACHA and to enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 as revised, and the Determination of Accounting Requirements 2019. They are also responsible for safeguarding the assets of ACHA and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board members have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. Each of the Board members has confirmed that they have taken all the steps that they ought to have taken as Board members in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

By order of the Board of Management

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

BOARD OF MANAGEMENT'S STATEMENT ON INTERNAL FINANCIAL CONTROLS

For the year ended 31st March 2022

The Board acknowledge their ultimate responsibility for ensuring that ACHA has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within ACHA or for publication;
- the maintenance of proper accounting records; and
- the safeguarding of assets (against unauthorised use or disposition).

It is the Board's responsibility to establish and maintain systems of internal financial control. The Board can only provide reasonable assurance and not absolute assurance against material financial mis-statement or loss. Key elements of controls include ensuring that:

- formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of ACHA's assets. Core policies have been established and others continue to be developed as ACHA becomes more established;
- experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared regularly which allow the Board and staff to monitor the key business risks and financial objectives, and progress towards financial plans set for the year and the medium term; regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information, and significant variances from budgets are investigated as appropriate;
- ACHA's performance against the business plan is reviewed regularly;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through relevant sub-committees comprising Board members and Co-optees;
- the Board reviews reports from their SMT, staff and from the internal and external auditors, and from specialised consultants to provide reasonable assurance that control procedures are in place and are being followed. This includes a general review of the major risks facing ACHA;
- formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports;
- an Internal Audit Needs Assessment has been developed by ACHA in accordance with established audit practice and internal audit has been in operation this year.

The Board has reviewed the system of internal financial control in ACHA for the year ended 31st March 2022 and until the below date. To the best of its knowledge no weaknesses were found in internal financial controls which could result in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditors' report on the financial statements.

These arrangements comply with the requirements contained in the Scottish Housing Regulator's regulatory standards.

By order of the Board of Management

Roddy McCuish
Chair of the Board of Management
19/8/2022

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

INDEPENDENT AUDITORS REPORT

For the year ended 31st March 2022

Corporate Governance

In addition to our audit of the financial statements, we have reviewed the Board of Management's statement on page 17 concerning the Association's compliance with the information required by the Regulatory Standards for systemically important RSL's in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the statement on internal financial control on page 17 has provided the disclosures required by the relevant Regulatory Standards for systemically important RSLs within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes, issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Board of Management and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Board of Management's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards for systemically important RSLs in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

INDEPENDENT AUDITORS REPORT

For the year ended 31st March 2022

Opinion

We have audited the financial statements of Argyll Community Housing Association Limited (the 'parent Association') and its subsidiaries (the 'group') for the year ended 31st March 2022 which comprise the group and parent Statement of Comprehensive Income, the group and parent Statement of Financial Position, the group and parent Statement of Cash Flows, the group and parent Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and parent Association's affairs as at 31st March 2022 and of the surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board of Management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the parent Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board of Management with respect to going concern are described in the relevant sections of this report.

Other information

The Board of Management is responsible for the other information. The other information comprises the information contained in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 require us to report to you if, in our opinion:

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

INDEPENDENT AUDITORS REPORT

For the year ended 31st March 2022

- proper books of account have not been kept by the parent Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the parent Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the parent Association or group; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Board of Management

As explained more fully in the statement of Board of Management's responsibilities as set out on page 16, the Board of Management is responsible for the preparation of the financial statements and for being satisfied that they give true and fair view, and for such internal control as the Board of Management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Management is responsible for assessing the group and parent Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Management either intend to liquidate the group or the parent Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The extent to which the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we gained an understanding of the legal and regulatory framework applicable to the group and parent Association through discussions with the Board of Management and other management, and from our wider knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the group and parent Association, including the Co-operative and Community Benefit Societies Act 2014 (and related regulations), the Housing (Scotland) Act 2010 and other laws and regulations applicable to a registered social housing provider in Scotland. We also considered the risks of non-compliance with the other requirements imposed by the Scottish Housing Regulator and we considered the extent to which non-compliance might have a material effect on the financial statements.
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

INDEPENDENT AUDITORS REPORT

For the year ended 31st March 2022

We assessed the susceptibility of the group and parent Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reviewing the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims;
- reviewing the parent Association's Assurance Statement and associated supporting information; and
- requesting correspondence with the Scottish Housing Regulator, HMRC and the group and parent Association's legal advisors.

The extent to which the audit was considered capable of detecting irregularities including fraud

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the Directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Description of the auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. The description forms part of our audit report.

Use of our Report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

ACHA is incorporated under the Co-operative and Community Benefit Societies Act 2014 and is registered by the Financial Conduct Authority.

1. ACCOUNTING POLICIES

Going Concern

During the year ACHA (group) made an operating surplus of £4.00 million which when adjusted for disposals, interest receivable and payable resulted in a surplus of £0.93 million prior to the adjustment of the actuarial gain on the pension scheme giving total comprehensive income for the year of £6.60 million. At the financial year-end ACHA (group) had net assets of £42.45 million. The going concern basis of accounting is considered appropriate because ACHA has an agreed banking facility with Lloyds Banking Group of £59.6 million under the business plan to meet future requirements. Peak debt is £64.31 million in 2023/24, comprising £59.1 million Lloyds Banking Group within the banking facility, £2.2 million from Argyll and Bute Council and the option for a further £3.0 million from external sources. Repayment is projected by 2035/36 for Lloyds Banking Group, 2038/39 for Argyll and Bute Council and 2036/37 for any other borrowing.

ACHA's loan asset security ratio requirement is 105%. The most recent security valuation as at March 2020 values ACHA's housing assets secured to Lloyds Banking Group at £134.2 million based on Existing Use Valuation – Social Housing by year 50, ACHA therefore has more than sufficient assets to support the current peak borrowing and for its future needs at this time based on the asset cover covenant. A further requirement of the loan agreement with Lloyds Banking Group is to annually agree the net operating cash flow through the business plan, with a +/- 5% tolerance in place on this value. For 2021/22 the approved cashflow was an outflow of £5.03 million (excluding the 5% tolerance) and the actual cash position at the end of March 2022 was an outflow of £1.80 million. This means the approved cashflow covenant has been complied with.

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and under the historical cost accounting rules. They comply with the Determination of Accounting Requirements 2019 and with the SORP 2018 - Statement of Recommended Practice for social housing providers.

Basis of consolidation

In accordance with FRS 102, the group financial statements consolidate the financial statements of the parent company and its one subsidiary, Argyll Homes For All Limited, for the year ended 31st March 2022. The subsidiary is accounted for using acquisition accounting.

Turnover

Turnover represents rental and service charge income receivable from tenants and owner occupiers, fees and revenue based grants receivable from local authorities and The Scottish Government's Housing Directorate relating to housing and fees from the provision of management services. Tenant service charges are levied on a basis intended to cover appropriate service costs each year. Income is recognised only when it is earned.

Cash Flow Statement

The cash flow statement represents the cash transactions of the Association for the period from 1st April 2021 to 31st March 2022. Cash and cash equivalents comprise cash on hand and in deposit and are subject to an insignificant risk of change in value.

Tangible fixed assets - housing properties

The Association operates a full component accounting policy in relation to the capitalisation and depreciation of its completed housing stock. Housing properties are stated at cost; all properties acquired under the stock transfer agreement were acquired at nil value.

Housing properties

Housing properties are split between land, structure and major components which require periodic replacement. Replacement or refurbishment of such major components is capitalised and depreciated over the estimated useful life which has been set taking into account professional advice, the

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

association's asset management strategy and the requirement of SHQS and EESSH. In determining the remaining useful lives for the housing stock, the Association has taken account of views provided by both internal and external professional sources, and these are reflected in the assumptions in the current approved Business Plan. Components with a de minimis value of £1,000 are written off in the year in which they are incurred.

Depreciation and Impairment

Land is not subject to depreciation. Depreciation is charged so as to write down the cost of the housing properties and major components on a straight line basis over their expected useful economic lives.

Major components are treated as separable assets and depreciated over their expected useful economic lives or the lives of the structure to which they relate, if shorter, at the following annual rates:

	Depreciation Rate	Economic Life
Land	Nil	Nil
Structure	2.0%	50 years
Wall finishes	2.0%	50 years
Insulation (IWI/CWI)	2.0%	50 years
Kitchen	4.0%	25 years
Roofs	2.0%	50 years
Bathroom	4.0%	25 years
Windows and doors	3.3%	30 years
Heating System	3.3%	30 years
Electrics	3.3%	30 years
Plumbing	2.5%	40 years
Solar Panels	4.0%	25 years

The SORP and FRS 102 outline a number of indicators for impairment which the Association must consider on an annual basis. Where an indicator for impairment is identified then the Association must carry out a full impairment review. Where there is evidence of impairment, the fixed assets are written down to the recoverable amount and any write down charged to the Statement of Comprehensive Income within cumulative depreciation. Depreciation will be charged for a full year in the year of acquisition and none in the year of disposal.

New Build

Housing properties in the course of construction are held at cost and are not depreciated. They are transferred to completed properties when ready for letting or sale. The Association's policy is to capitalise the cost of acquiring land and buildings and all development expenditure including direct development staff costs. Expenditure on schemes which are subsequently aborted will be written off in the year in which it is recognised that the schemes will not be developed to completion. Land is not depreciated.

Non-Housing properties

ACHA owns a number of non-housing properties. ACHA applies the same capitalisation and component life approach as stated under housing properties unless otherwise stated below.

Garages

Garages are stated at cost; all garages acquired under the stock transfer agreement were acquired at nil value. The estimated useful economic life of related assets built after transfer will be 15 years.

Gypsy / Traveller sites

Gypsy / traveller sites are stated at cost: all sites acquired under the stock transfer agreement were acquired at nil value. The estimated useful economic life of the structures built after transfer will be 20 years.

Related Assets

Related assets, such as private water supplies, play parks, sewage systems and septic tanks, are stated at cost: all related assets acquired under the stock transfer agreement were acquired at nil value. The estimated useful economic life of related assets built after transfer will be 15 years. All expenditure in

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

relation to related assets which is Related Assets or Early Action Funding (EAF) Grant supported will be treated as revenue expenditure in the period in which the expenditure occurred.

Component replacements which are not grant funded will be capitalised.

Housing Association Grant

Housing Association Grant (HAG) is received from central government agencies and local authorities and is utilised to reduce the capital costs of housing properties. Grants received in respect of capital expenditure are credited to the comprehensive statement of income under the accruals method in line with the depreciation rates adopted for the underlying asset to which the expenditure relates. HAG due or received in advance is included as a current asset or liability. HAG received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates, in line with the performance model. Properties are disposed of under the appropriate legislation and guidance. All HAG relating to the share of property sold are removed from the financial statements at the date of sale. Any HAG received that cannot be repaid from the proceeds of sale is abated and the grant removed from the financial statements. Where a disposal is deemed to have taken place for accounting purposes, but the repayment conditions have not been met in relation to the grant funding, the potential future obligation to repay is disclosed as a contingent liability.

Business Plan Support Grant

Business Plan Support Grant (BPSG) relates to the £68 million grant provided by Scottish Government in respect of improvements required to the transferring properties to achieve the Scottish Housing Quality Standard. BPSG received in respect of capital expenditure was credited to the comprehensive statement of income under the accruals method in line with the depreciation rates adopted for the underlying asset to which the expenditure relates. Unamortised BPSG is held within creditors due after one year.

Properties are disposed of under the appropriate legislation and guidance. All business plan support grants relating to the share of property sold are removed from the financial statements at the date of sale and written off. Any residual business plan support grant held at the point of component replacement is written off in the year of replacement.

Other Grants

These include grants from Scottish Government and/or local authorities and/or other organisations. Grants received in respect of capital expenditure are credited to the comprehensive statement of income under the accruals method in line with the depreciation rates adopted for the underlying asset to which the expenditure relates. Grants due or received in advance are included as a current asset or liability. Grants received in respect of revenue expenditure are credited to the income and expenditure account in the same period as the expenditure to which it relates, in line with the performance model.

Other Fixed Assets

Other fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated to write down the cost of other fixed assets on a straight line basis over their expected useful lives as follows:

	Depreciation Rate	Economic Life
IT hardware and software	33.3%	3 years
Furniture and fittings	10%	10 years

A full year's depreciation is charged in the year of acquisition with none charged in the year of disposal.

Offices are stated at cost; all offices acquired under the stock transfer agreement were acquired at nil value. Depreciation on offices is calculated on a component basis using the same components and economic useful lives as the housing properties. Bute store is depreciated over a 50-year economic useful life, consistent with the economic useful life for structure under housing assets.

Employee Benefits

Short term employee benefits and contributions to defined contribution plans are recognised as an expense in the period in which they are incurred. The financial cost of annual leave and time off in lieu earned but not taken by employees at the year-end date is accrued as a liability.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

Pensions

ACHA participates in one multi-employer pension scheme and accounts for this in accordance with the requirements of FRS 102. Strathclyde Pension Fund (SPF) is a defined benefit scheme as defined by the Local Government Pension Scheme (Scotland) regulations 1998. Contributions are charged to Statement of Comprehensive Income so as to spread the cost of pensions over the employees' working lives within ACHA. The SPF made an actuarial gain for the year ended 31st March 2022 of £5.669 million (Group). ACHA has taken account of this loss in the Statement of Comprehensive Income.

Taxation

The charge or credit for taxation is based on the surplus or deficit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 102. As ACHA is a registered charity it has obtained consent to relief from Corporation Tax from HMRC on its charitable activities.

VAT

ACHA was registered for VAT on 24th March 2010. A large proportion of ACHA's income, namely rents, is exempt for VAT purposes and therefore gives rise to the partial exemption calculation. All expenditure is shown inclusive of VAT. ACHA created a VAT Group with its subsidiary for trading during 2013/14.

Loans and Grants

Loans are advanced by private or public lenders under the terms of individual mortgage deeds in respect of each development or under a global facility secured on existing developments. Grants from the Scottish Government's Housing & Social Justice Directorate or local authorities are payable to subsidise the capital cost of housing developments. Grants from Scottish Government's Housing & Social Justice Directorate take the form of Housing Association Grant (HAG) funding. Advances are generally available only in respect of those developments which have been given approval by the Scottish Government's Housing & Social Justice Directorate. Under certain circumstances HAG is repayable. Business Plan Support Grant and Related Assets or EAF grant is not normally repayable under the terms of the stock transfer agreement. Grants in respect of revenue expenditure are credited to the Statement of Comprehensive Income in the same period as the expenditure to which they relate.

Financial Instruments

ACHA has given consideration under FRS 102 in relation to accounting for Financial Instruments. Having reviewed all relevant financial assets and liabilities ACHA have agreed with our external auditors that all financial instruments and transactions are defined as 'basic'. Loans provided to ACHA are classed as basic under FRS 102 and are measured at amortised cost. A loan provided by ACHA to its subsidiary AHFA is classed and measured in the same manner.

Payables and receivables due within one year are measured at transaction price less settlements. Where receivables are deemed to be longer term and constitute a financing transaction they are measured at the present value of future payments discounted at a market rate of interest applicable to similar debt instruments.

Operating Leases

Operating lease rentals are charged to the Statement of Comprehensive Income on a straight line basis over the period of the lease.

Inventories

Inventories and work in progress is stated at the lower of cost and net realisable value.

Bad and Doubtful Debts

Provision is made against rent arrears for current tenants and former tenants as well as other sundry debts to the extent that they are classed as potentially irrecoverable. The current policy for rent arrears is to provide for all former tenant debt and also for current tenant debt where this is in excess of £1,000. For sundry debt all debt over 3 months old is fully provided for as well as any debt between 0-3 months which is greater than £1,000. Debt is passed for approval to write off where a debtor is deceased with no estate, has been sequestrated or where the debt is prescribed.

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

Estimation and Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Board to exercise judgement in applying the Group's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below:

Rent Arrears - Bad Debt Provision

The Group assesses the recoverability of rent arrears through a detailed assessment process which considers: tenant payment history, payment arrangements in place, and court action.

Life Cycle of Components

The Group estimates the useful lives of major components of its housing property with reference to surveys carried out by qualified surveyors and specialist advice.

Useful life of properties, plant and equipment

The Group assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this.

Key Judgements made in the application of Accounting Policies

The Categorisation of Housing Properties

In the judgement of the Board the entirety of the Group's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

Identification of cash generating units

The Group considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

Financial Instruments

Following guidance from the Financial Reporting Council, the Group and its Board of Management are of the view that the clauses held within the loan agreements do not require these financial instruments, other than the 'non-cancellable call option', to be classified as 'non-basic' financial instruments.

Pensions

Determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds. For further information on the pension estimates please see Note 27 of the accounts.

	<u>15</u>	<u>24</u>	<u>5,165</u>	<u>5,177</u>

6. Remuneration of members of Board of Management and Key Management Personnel

No members of the Board of Management received any remuneration from ACHA or AHFA.

Key management personnel are defined to include the Chief Executive, Strategic Directors and any other officer whose total annual emoluments, excluding pension contributions, exceed £60k during the reporting year.

	2022 £000	2021 £000
Total emoluments payable to directors / key management personnel and benefits in kind	597	610
Pension contributions	78	88
	<u>675</u>	<u>698</u>
Emoluments payable to the highest paid director (excluding pension contributions)	102	100
Pension contributions	17	16
	<u>119</u>	<u>116</u>

The Chief Executive is a member of the Strathclyde Pension Fund defined benefit pension scheme as disclosed in note 27. No enhanced or special terms apply to memberships. ACHA's contributions to the Chief Executive's pension in the year amounted to £17k (2021: £16k).

ACHA's key management emoluments (excluding pension contributions) fell within the following band distributions:

	2022	2021
More than £60,000 but not more than £70,000	2	2
More than £70,000 but not more than £80,000	1	5
More than £80,000 but not more than £90,000	1	-
More than £90,000 but not more than £100,000	1	-
More than £100,000 but not more than £110,000	2	1

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

7. Staff numbers and costs

The weighted full time equivalent number of persons employed and seconded to ACHA (excluding board members) in the year, analysed by category, was as follows:

	Number of employees	
	2022	2021
Housing & Neighbourhood Services	75	72
Finance & IT	17	16
Human Resources & Corporate Services	14	13
Investment & Regeneration	38	38
Argyll Homes For All	101	90
	<u>245</u>	<u>229</u>

The aggregate payroll costs of these persons were as follows:

	Group		Company	
	2022	2021	2022	2021
	£000	£000	£000	£000
Wages and salaries	6,864	6,680	3,696	3,917
Social security costs	688	671	373	397
Employer pension costs	806	707	706	616
Current service cost adjustment (defined benefit pension scheme)	1,477	831	1,427	804
	<u>9,835</u>	<u>8,889</u>	<u>6,202</u>	<u>5,734</u>

Current service costs for the Group, relating to the Strathclyde Pension Fund defined benefit scheme, amount to £1.477m (2021 - £0.831m). These costs are included within Note 3 – Management and Maintenance Administration costs.

During the year the value of Property Services staff costs that were capitalised amounted to £1.129m (2021 - £617k).

8. Operating surplus on ordinary activities - Group

	2022	2021

At end of year	<u>232,724</u>	<u>2,799</u>	<u>235,523</u>	<u>226,212</u>
Depreciation				
At start of year	(48,192)	-	(48,192)	(42,380)
Charge during year	(6,485)	-	(6,485)	(6,244)
Disposals	582	-	582	424
Impairment	156	-	156	8
At end of year	<u>(53,939)</u>	<u>-</u>	<u>(53,939)</u>	<u>(48,192)</u>
Net book value				
At 31 March 2022	<u>178,785</u>	<u>2,799</u>	<u>181,584</u>	<u>178,020</u>
At 31 March 2021	<u>175,483</u>	<u>2,537</u>	<u>178,020</u>	

All properties transferred to ACHA at 21st November 2006 were transferred at nil value as part of the Large Scale Voluntary Stock Transfer.

Additions to housing properties include capitalised development administration costs of £1.13 million, (2021 – £0.62 million), and capitalised major repair costs to existing properties of £8.31 million (2021 - £7.03 million). All land and properties are heritable.

Total expenditure on existing properties in the year amounted to £17.86 million (2021 – £14.98 million). The amount capitalised is £9.44 million (2021 - £7.65 million) with the balance being charged to the statement of comprehensive income.

During the year a number of components were replaced and some properties sold / demolished, resulting in a loss £1.33 million (2021 – loss of £1.23 million). This value is consistent with 2020/21, and is generally due to the number of heating systems being replaced with Air Source Heat Pump systems being fitted as part of the Warm Homes Fund project. Previous heating components fitted since stock transfer in 2006 have an economic useful life of 30 years so this results in a higher value being written off as a disposal. A small number of properties were sold or demolished during the year as part of ACHA's approved stock rationalisation programme.

ACHA has included in housing properties held for letting £2.58 million (2021 – £3.51 million) of cost relating to the fourth quarter of the year however as this is work in progress and not yet completed it has not been componentised nor depreciated in the current year. The componentisation and depreciation of these works will be completed in the following financial period.

Security has been granted to lenders in respect of housing properties at stock transfer and specific loans granted for new build development. As at the end of the financial year there were also 334 properties which were unencumbered.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

The loans with Lloyds Banking Group reduced by £0.061 million during 2020/21/22 due to capital repayments to the Oban office development loan. This is the only Lloyds Banking Group loan that is repayable on an amortising basis, with the loan to be repaid in full by March 2025. The repayment profile for the office loan is shown below.

	£000
Due within one year	65
Due between 1 and 2 years	69
Due between 2 and 5 years	73
Over 5 years	-
	<u>207</u>

A loan with Argyll and Bute Council through the Strategic Housing Fund for £3 million was agreed and drawn down during 2013/14 and 2014/15. This is a capital and interest repayment loan and is repayable by 2040. The repayment profile is shown below:

	Glenshellach £000	Bonawe £000	Helensburgh £000	Total £000
Due within one year	73	4	19	96
Due between 1 and 2 years	77	4	19	100
Due between 2 and 5 years	252	13	64	329
Over 5 years	1,419	78	388	1,885
	<u>1,821</u>	<u>99</u>	<u>490</u>	<u>2,410</u>

The Glenshellach loan is fixed at 4.45% and the Bonawe and Helensburgh loans are fixed at 4.43%, all for a 25 year term from drawdown. The remainder of loans drawn, amounting to £59.0 million with Lloyds Banking Group, are repayable by bullet repayment. A summary of all fixed rate loans with Lloyds Banking Group as at 31st March 2022 is as follows:

Fixed Rate Hedging	Value (£000's)	End date	Rate %
Tranche A	6,000	29/06/2022	3.119
Tranche A	3,000	28/06/2022	1.209
Tranche A	3,000	19/06/2023	2.952
Tranche A	4,750	18/12/2023	1.620
Tranche A	7,000	18/11/2024	1.535
Tranche A	3,950	30/12/2024	1.515
Tranche A	7,000	30/06/2025	2.636
Tranche B	2,000	31/03/2023	5.740
Tranche B	5,000	28/03/2024	0.927
Tranche B	10,000	30/03/2029	5.430
Tranche C	207	11/03/2025	5.955
Tranche D	5,000	30/06/2022	2.119
Tranche D	2,300	31/03/2023	4.350
Total	<u>59,207</u>		

Rates quoted are all inclusive of the rate, margin and capitalisation charges.

Loans are secured by a specific charge against ACHA's properties with the office loan secured against the office development at Menzies House, Glenshellach Business Park, Oban. At the year-end there were 4,777 housing properties secured to Lloyds Banking Group in addition to 54 housing properties secured to Argyll and Bute Council.

Cancelled in year	<u>(7)</u>	<u>(8)</u>
At 31 st March	<u>251</u>	<u>250</u>

Shares issued were in respect of new members of ACHA.

Each member of ACHA holds one share of £1 in ACHA. These shares carry no rights to dividend or distributions on winding up. When a shareholder ceases to be a member the person's share is cancelled and the amount thereon becomes the property of ACHA. Each member has a right to vote in accordance with ACHA's rules at Members meetings.

ACHA holds one share in its subsidiary company Argyll Homes For All Limited (SC415603) which is a wholly owned subsidiary trading company.

26. Group structure

ACHA is a registered social landlord, incorporated in Scotland. ACHA owns one share in Argyll Homes for All Limited (AHFA) which is a wholly owned subsidiary company. The principal activity of AHFA, registered company number SC415603, in the year ended 31st March 2022 was that of property maintenance.

27. Strathclyde Pension Scheme

The majority of ACHA group employees belong to the Strathclyde Pension Fund which is part of the Local Government Pension Scheme (LGPS). The total pensionable payroll at the balance sheet date was £4.42 million. This is a defined benefit scheme which provides benefits based on the final pensionable salary, the assets of which are held in a separate trustee administered fund. The best estimate of total employer contributions for 2022/23 is £0.853 million.

As noted in note 1, Argyll and Bute Council have guaranteed to accept liability for any unfunded costs which may arise with regard to ACHA relating to its membership of the Local Government Pension Scheme (LGPS) administered by Glasgow City Council should it cease to exist, withdraw from the LGPS or otherwise become unable to continue covering any unfunded liabilities with regard to the Local Government Pension Scheme (Scotland) Regulations 1998, as amended, or the Local Government (Discretionary Payments and Injury Benefits) (Scotland) Regulations 1998. If applicable, the assumptions and other data that have the most significant effect on the determination of the contribution levels of the scheme are as follows:

Assumptions as at	31 st March 2022 % p.a.	31 st March 2021 % p.a.	31 st March 2020 % p.a.
Pension Increase Rate	3.2%	2.8%	1.9%
Salary Increase Rate	3.9%	3.5%	3.0%
Discount Rate	2.7%	2.0%	2.3%

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

Life expectancy is based on the Fund's VitaCurves with improvements in line with the CMI 2021 model, with a 0% weighting of 2021 (and 2020) data, standard smoothing (Sk7), initial adjustment of 0.25% and long term rate of employment of 1.5% p.a. for both males and females. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	Males (Years)	Females (Years)
Current Pensioners	19.8	22.6
Future Pensioners	21.2	24.7

Under the requirements of FRS 102, ACHA is required to disclose further information on its share of assets and liabilities of the LGPS on a market value basis at the end of the financial year.

ACHA's share of assets in the scheme and expected rate of return were:

	% Split of Assets 31st March 2022	Assets at 31st March 2022 £000	% Split of Assets 31st March 2021	Assets at 31st March 2021 £000

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

28. Related party disclosures

During the year there were a number of payments made and received between ACHA and its wholly owned subsidiary Argyll Homes for All Limited (AHFA). At the balance sheet date, the inter-company debtor / creditor was a debit of £0.037 million (2020/21 £0.208 million) which related to a balance of support service charges and assigned staff costs due to ACHA. At the year-end, income accrued by AHFA but not yet paid by ACHA amounted to £0.694 million (2020/21 £0.303 million).

Ten members of the Board of Management were also tenants during the year (2020/21: seven). Three members of the Board of Management were Argyll and Bute Council Councillors during the year (2020/21: three). Members rent arrears were treated in a similar manner to that of other tenants in arrears with ACHA. The total value of rent received from tenants who were board members during the year was £51k (2020/21 £35k) with total non-technical rent arrears at the year-end of £1k (2020/21: nil) which was paid in full during April 2022.

Payments made to members of the Board of Management during 2021/22 amounted to £2k (2020/21: £47). This relates to reimbursement of travel expenses and subsistence, with no Board member travel or subsistence incurred during 2020/21 due to Covid-19 restrictions.

All transactions with local authorities were made at arm's length, on normal commercial terms and no Board members used their position to their advantage.

The tenancy agreements and rents charged for those members of the Board of Management were on standard terms applicable to any other tenant of ACHA.

ACHA has entered premise leases with Argyll and Bute Council and has contractual arrangements for the provision of information technology support services in relation to Capita Housing, print services and environmental services provision. ACHA also lets houses to Argyll and Bute Council under a special letting agreement relating to homelessness and also for additional support needs.

ACHA paid £0.62 million (2020/21: £0.38 million) to the Council for services relating to service level agreements, premises leases, council tax, IT, loan repayments, building warrants, environmental and other services received during the period.

Included in the above amount ACHA paid to the Council £0.20 million in relation to the three Strategic Housing Fund (SHF) loans (2020/21: £0.20 million).

During the period ACHA received from the Council £7.3 million in housing benefit payments (2020/21: £7.9 million), rental income for homeless and additional support needs tenancies of £0.07 million (2020/21: £0.07 million). ACHA received no SHF grant income during the period (2020/21: £0.01 million).

At the period end there was a creditor totalling £6k outstanding to the Council (2020/21: £4k).

ARGYLL COMMUNITY HOUSING ASSOCIATION LIMITED AND SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2022

29. Financial Instruments

The carrying amounts of the Group's financial instruments are as follows:

	2022	2021
	£000	£000
<i>Financial assets</i>		
Debt instruments measured at amortised cost:		
- Trade debtors (note 16)	771	622
- Accrued income (note 16)	806	803
- Other debtors (note 16)	44	46
- Cash and cash equivalents (note 17)	7,183	9,139
	8,804	10,610
<i>Financial liabilities</i>		
Measured at amortised cost:		
- Bank loans and overdraft (notes 18-19)	61,618	61,771
- Trade creditors (note 18)	647	890
- Accrued expenses (note 18)	874	1,003
- Other creditors (note 18)	841	802
	63,980	64,466

The income, expenses, net gains and net losses attributable the Group's financial instruments are summarised as follows:

	2022	2021
	£000	£000
<i>Income and expense</i>		
Financial assets measured at amortised cost	1	16
Financial liabilities measured at amortised cost	(1,719)	(1,836)

The total interest income and interest expense for financial assets and financial liabilities that are not measured at fair value through profit or loss was £1k (2021/22 - £16k) and £1.72 million (2021/22 - £1.84 million) respectively.
