

ACHA's Complaint Handling Performance

April to December 2021

We received a total of **42** compliments, by the end of December, the majority were from tenants.

- Tenants
- Family members
- Private Owners
- External Agencies (DWP, Blackwood Group)

If you want to tell us about a extra special service that a member of staff has provided you, a repair carried out promptly and efficiently, or to thank us for fitting a brand new modern kitchen or bathroom—feel free. Please Contact our Customer Service Centre—0800 028 2755.

Please don't be shy—everyone loves compliments, including us.

We always welcome the opportunity to improve on the service we provide to our customers and the wider community. One of the ways we do this is to respond promptly, positively and efficiently to all complaints made. If you tell us what we are doing wrong, or what you are unhappy with, we will strive to get it right next time.

By the end of December 2021, we had dealt with:-

- ◆ 28 Stage 1 complaints

- ◆ 26 Stage 2 complaints

A new 'Resolved' category was implemented at the beginning of April—to be used when both Argyll Community Housing Association and the customer agree what action, if any will be taken to provide full and final resolution for the customer, without making a decision about whether the complaint is upheld or not upheld, or apportioning blame. We recorded 2 'resolved' complaints by the end of December.

Our customers are able to get in touch with us to raise their complaint in a variety of ways.

We have many customers who are not our tenants.

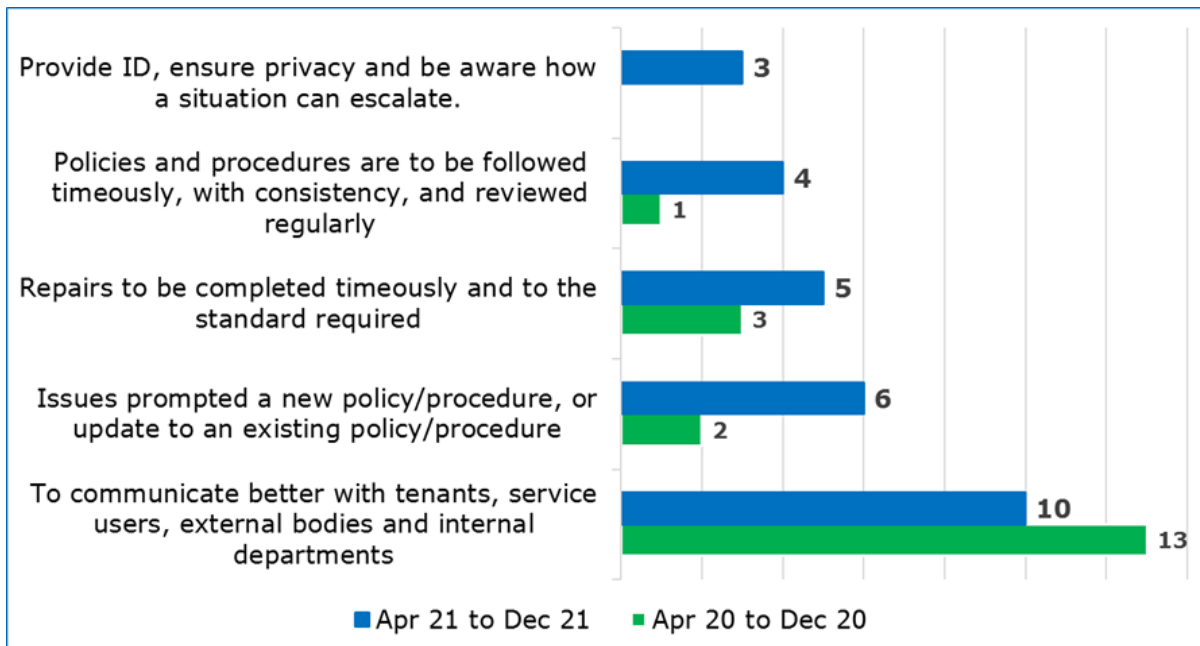

We currently have 16 categories that the complaints we receive are logged under. Up to the end of December, **84%** of the complaints received, were logged under the following 5 categories.

We aim to respond to all the complaints we receive within the Scottish Public Services Ombudsman's targets.

- ◆ **100%** of the stage 1 complaints that staff dealt with by the end of December were responded to within 5 days.
- ◆ **82%** of the stage 2 complaints that staff dealt with by the end of December were responded to within 20 days.
