

ACHA are keen to get feedback from you, our tenants, on our proposals to improve the services provided to you. The **Tenants' Consultation Register** is used to get feedback on new policies, and reviews of the services we provide. If you decide to join the Tenants Consultation Register you would also be entitled to join the Argyll Tenants' Panel which meets once a month in Inveraray (please note that you can choose not to join the Tenants Panel and we do appreciate that not everyone can travel to meetings).

So what would be involved in being a member of the Tenants' Consultation Register?

Questionnaires sent out to you by post / e-mail would be used to enable us, as your landlord, to get a clearer picture of how you view the services we are developing (reply paid envelopes will be provided for your responses if you don't have an e-mail address).

If you think you might like to get involved in this and could spare a few minutes once in a while (there is no obligation if you change your mind later) please fill in the box below and return it to the address given at the bottom of the page or hand it in to your local ACHA office.
