Dan Hughes, Glendaruel
Tenant Board Member

I am a 67 year old retired man who joined ACHA's Board of Management as a tenant member in September 2022. One reason for joining the Board was to work with like minded people to help provide our tenants with the secure, warm home I think everyone is entitled to. I am an ACHA tenant myself so am able to see things from a customer perspective. I spent most of my working life in the hospitality sector and really enjoyed helping people, and helping people is what ACHA is about
