

Board of Management

Jan Brown

I've lived in Mid Argyll for nearly 30 years moving from Glasgow. I've been an ACHA tenant since 1997 living in the same house in Minard. I've worked in a number of jobs over the years but started working for the council in 2002 as Catering Manager in the staff Canteen. I retired in 2016 only to start work 6 months later as a dinner lady at Furnace School where I worked until becoming a councillor in May 2022.
