

Board of Management

Roddy McCuish

I previously served as a councillor for 15 years holding many senior positions within Argyll and Bute Council including Leader, Deputy Leader and Deputy Provost before retiring as a councillor in May 2022. I have been involved with ACHA since 2007 as a Board member and previously, as Secretary to the Board. It is now my privilege to serve as Chairman to the Board of Management. I firmly believe affordable, warm, energy efficient homes are a fundamental right for all and is the very cornerstone of everything we do at ACHA. I have a keen interest in all sport and I am currently a Director of the Camanachd Association, the governing body of Shinty, Scotland's community sport.
